## Nivel I: Juego de Piratas

**E**STE es considerado un nivel de bienvenida y entrenamiento, ya que, el jugador se familiarizara con la dinámica del juego, aprendiendo a utilizar los controles. A lo largo del nivel, encontrara a unos personajes que le darán la bienvenida y le explicaran qué es lo que tiene que hacer para ganar. Como tal, es algo bastante sencillo, simplemente se debe resolver un pluzze, además, antes de finalizar, el jugador hablara con otro personaje el cual le dará un abre-bocas de las cosas que le esperan para el siguiente nivel.

Dialogo propuesto en el nivel:

- Arrggg, Bienvenido pirata a los juegos de CryptoJuanse, hace bastante que no teníamos a un entusiasta de los videojuegos por aquí.
- Mi nombre es Tax y estaré guiándote en los primero niveles, para este nivel simplemente debes destruir los cofres del tesoro, eso lo podrás hacer con el cañón y mucha dinamita.
- El próximo nivel es súper corto, solo encárgate de saltar en la plataforma correcta para sobrevivir pirata, nos vemos en el nivel 3.

*No elegimos como empexamos en esta vida. La verdadera grandexa es qué hacemos con lo que nos toca.*

*Uncharted 3.*

## Nivel II: Balas de Cañón

“**H**AY una serpiente en mi bota :v

*No elegimos como empexamos en esta vida. La verdadera grandexa es qué hacemos con lo que nos toca.*

*Uncharted 3.*

“Heavens! what a virulent attack!” replied the prince, not in the least disconcerted by this reception. He had just entered, wearing an embroidered court uniform, knee breeches, and shoes, and had stars on his breast and a serene expression on his flat face. He spoke in that refined French in which our grandfathers not only spoke but thought, and with the gentle, patronizing intonation natural to a man of importance who had grown old in society and at court. He went up to Anna Pavlovna, kissed her hand, presenting to her his bald, scented, and shining head, and complacently seated himself on the sofa.

## Nivel III:
